College: University of South Florida College of Arts and Sciences
Medical School: University of South Florida College of Medicine
Internship: Austin Medical Education Program – Transitional Internship
Residency: University of South Florida
Fellowship: Tufts/Ophthalmic Consultants of Boston

Offices: St. Petersburg and Clearwater

Dr. Eichenbaum serves as Director of Research for Retina Vitreous Associates and has been Principal Investigator in over 70 early- to late-stage clinical trials studying common retinal diseases such as dry and wet macular degeneration, diabetic eye disease, and retinal vascular disease. Dr. Eichenbaum has published over 50 articles in professional journals and authored multiple textbook chapters and continues to passionately contribute to the current retinal literature. Dr. Eichenbaum presents data internationally and is a regular abstract presenter at the American Society of Retinal Specialists, American Academy of Ophthalmology, the Association of Research and Vision in Ophthalmology, and at the prestigious invitational Retina Society meeting. He serves on numerous Clinical and Scientific Advisory Boards and National Steering Committees for clinical research. Under Dr. Eichenbaum's direction, Retina Vitreous Associates of Florida has been recognized nationally as a cutting-edge research site for the advancement of the retinal specialty.

Dr. Eichenbaum received the Alumnus of the Year Award from the Morsani College of Medicine at the University of South Florida Department of Ophthalmology in 2022, the American Society of Retina Specialists Honor Award in 2020 and received the Michael R. Redmond, MD Outstanding Young Ophthalmologist Award from the Florida Society of Ophthalmology in 2015. Dr. Eichenbaum serves as a Collaborative Associate Professor of Ophthalmology at the Morsani College of Medicine at the University of South Florida and has held an academic affiliation with USF since 2007.
