## Priya Vakharia, MD

RVAF.com

College: The Pennsylvania State University  
Medical School: Jefferson Medical College of Thomas Jefferson University  
Internship: Lankenau Medical Center  
Residency: Wills Eye Hospital  
Chief Resident: Wills Eye Hospital  
Fellowship: Tufts New England Eye Center/Ophthalmic Consultants of Boston

**Offices: Palm Harbor and St. Petersburg**

Dr. Vakharia received an Honorable Mention for the Carroll R. Mullen Memorial Prize in Ophthalmology, became a member of both the George McClellan Surgical Honor Society and Alpha Omega Alpha Honor Society, and graduated Summa Cum Laude, in the top 1% of her medical school class.

During her ophthalmology residency, Dr. Vakharia earned two Wills Eye Innovation Grants, the James Shipman Award for Excellence in Research, and the position as Co-Chief Resident. She worked in Maryland at the Retina Group of Washington prior to relocating to the Tampa Bay area. While practicing there, she was voted as a "Baltimore Top Doc", one of the highest accolades in the area.

Dr. Vakharia is a member of the American Academy of Ophthalmology, American Society of Retina Specialists and SEE international. She has over 35 published articles to her credit, in renowned journals such as Ophthalmology, Archives of Clinical Experimental Ophthalmology, Retina, and the American Journal of Ophthalmology. Dr. Vakharia has served as sub-investigator on numerous clinical trials evaluating the safety and effectiveness of therapies for eye disease, has presented at a variety of major medical conferences, and has participated in charitable mission trips to South America, Central America and Africa.

Retina-Vitreous Associates of Florida is the first and largest retina practice serving Tampa Bay. Our nationally recognized retina practice provides routine, urgent and emergent care for all retinal disorders. Our doctors are board certified by the American Board of Ophthalmology and Fellowship Trained. Our offices are equipped with the most advanced diagnostic tests available. Common diseases we manage include age-related macular degeneration, diabetic eye disease, retinal vascular disease, macular pucker, macular hole, floaters, retinal tear, retinal detachment, inherited retinal disease, uveitis, and pediatric retinal diseases.
